#### **Semi-structured interview guide**

Hello and thank you for participating in this interview. My name is \_\_\_\_\_ and I am interviewing to identify the core competency for clinical informationist. Written consent was obtained from you. The interview takes about fifteen to sixty minutes. Let's start.

1. Please talk about your experience with clinical informationist services. Describe a working day.
2. What problems have you encountered in accessing information?
3. What services do you expect the clinical informationist to provide to you?
4. What competencies and skills do you think a clinical informationist should have?

Thank you very much.
