Davenport M. The Medical Library Association guide to answering questions about the Affordable Care Act [review]. *J Med Libr Assoc.* 2016 Jul;104(3):248–94. <http://dx.doi.org/10.3163/1536-5050.104.3.019>.

Page 249: Reviewer Mina Davenport incorrectly stated that the *Affordable Care Act for Dummies* was only listed in a chapter on recommended resources for practitioners and not on the list for consumers. In fact, the authors also included this resource in the Consumer Guides section in the chapter titled “Recommended Affordable Care Act Resources for Consumers” (chapter 7, page 80).
